

# New Hostas

Ten new varieties of hostas have arrived in the last month. They include 'Lakeside Beach Captain', which has a heavily corrugated blue-green leaf with a narrow splash of yellow in the center. Another hosta with good substance is 'Cloudburst', with thick, unruly blue-green leaves that turn shiny, dark green

by late summer.

'Cathedral Windows' is a tetraploid version of 'Stained Glass', with large, dome-shaped, golden leaves surrounded with dark green margins. 'Atlantis' is a tetraploid mutation of 'Abba Dabba Do', forming a very large clump of slightly wavy, pointed green leaves with wide, yellow margins.

'Ann Kulpa' is a classy white-centered hosta, and 'June Fever' is a sport of 'June', with shiny yellow leaves and very narrow blue margins. Other new arrivals include 'Dance with Me', 'Jack of Diamonds', 'Lakeside Love Affair', and 'Singing in the Rain'.

# Bureau Creek Orchard

As long as you are coming here to load up with fall specials, you might want to take the opportunity to visit Bureau Creek Orchard, just west of Princeton, off of Route 6. We're talking apples, red raspberries, taffy apples, jams, and other fruit goodies. The address is 14180 1800 E. St, Princeton, the phone is 815 875-6137, and the website is [www.bureaucreekorchard.com](http://www.bureaucreekorchard.com).

## Interesting Fall Bulbs

We have tried out a lot of bulbs over the years, and will have a good selection of some excellent and more unusual smaller bulbs that have done well for us—such as scilla, anemone, fall blooming crocus, muscari, and allium. The shipment should be coming in around the first of September. Spice up your garden with some of these cuties.
