New Hostas

We have several new hostas on hand. Here's your chance to get your hands on these brand new introductions. 'Blue Ivory' is a rich blue with wide, pure white margins. It promises to be a real show piece. Another showy one is 'Whirlwind Romance', a sport of

'Whirlwind' that keeps its pure white centers all summer long. 'Harriett Ward' and 'French Quarter' are a couple of good looking yellow hostas. And 'Hollywood Lights' is a sport of 'On Stage' with wider green margins jetting into bright yellow centers.

Fall Bulbs

Now is the time to plant bulbs in order to have a great show next spring and summer. We'll have some of the interesting and unusual bulbs that you have seen blooming out here all season. The bulbs should be arriving around the first of September.
