End of Season Sale

On September 30, we will kick off our final sale of the season. This final sale will run for our final 10 days of the season, from September 30 through October 10. Why such a great deal? The plants are better off in the ground in your gardens, and the less we have to put away and take care of over the winter, the better. Check out The Shop for many more great deals! Discounts apply to sales at the garden center only.

Art Sculptures

We recently received another load of interesting and affordable art sculptures from regional artist John VandeWalle. His sculptures are made of heavy gauge steel, and will rust. We like them like that, and they will last for many lifetimes, but John says you could paint them if you wanted. They have been degreased.

The larger pieces are one-of-a-kind, but John makes multiples of some of the smaller pieces, although no two are exactly alike, depending on what material he has on hand when he makes them.

"Mia"

"Kabobs"

John names each piece. One of our favorite names (and one of our favorite sculptures, for that matter) is "Jennay", to be pronounced as Forrest Gump pronounced his girlfriend's name. "Mia" reminds us of a dancer or gymnast twirling a wide ribbon around her. "Mr. Hoople" on a stand is a spherically themed piece of art that looks great floating above a perennial garden. This time, he brought along several "Kabobs", unique garden stakes.

There undoubtedly is a place in your garden for one (or more) of these sturdy, unique, sometimes whimsical, garden art sculptures.

Hornbaker Happenings: New Website!

We are excited to announce that our website, www.hornbakergardens.com, has a new look! We have worked hard this year with Jamison Media Services out of Walnut, IL, to bring you a website that better reflects who we are and what Hornbaker Gardens has to offer. The site is now integrated with our point-of-sale system, which was new for us in 2021. This integration allows us to showcase an online catalog complete with pictures, descriptions and availability of most of our plants, as well as many giftware categories.

We hope the information provided will help inspire you with ideas for your garden and help you find the right plant for the right location. The products page only shows items that are currently in stock, so keep that in mind when you view the site late in the season. In January, the site will begin to reflect the inventory arriving in the spring. We will continue to take online orders for hostas, daylilies, and gift certificates. Other items are available for purchase at the nursery only. We hope you love it as much as we do! Check it out and start planning your next visit!

Hours:

April 10 - July 10: Monday - Saturday 8 am to 5 pm, Sunday noon-5 pm
July 11 - October 10: Monday - Saturday 8 am to 5 pm, closed Sundays
Closed July 4th and Labor Day

Gift card purchases, event information, and workshop sign-ups can be found at www.hornbakergardens.com
